Dear Anisha:

Congratulations! You have been awarded the **International Excellence Award** at Northern Arizona University. This award is only provided to a select group of international students and your receiving this award represents an incredible achievement in recognition of your hard work and academic dedication. At NAU, we seek to have the best and brightest from around the world studying on our campus and we recognize you as one of those outstanding students we look forward to welcoming to campus.

The following explains the specifics of the International Excellence Award:

- **Award Amount**
  - A \$11,000 renewable (see terms) award applied to undergraduate tuition for your first year of study at NAU, exclusive of class fees, university fees, meal or housing costs, or health insurance. \$5,500 is applicable for the fall and \$5,500 for the spring semester.
- **Terms of Award**
  - First time, full-time, F-1, undergraduate degree-seeking international student.
  - Attend the initial award requirement meeting at the beginning of the first semester.
  - Participate in the mandatory CIE Community Service event each semester. More details will be emailed to you during the semester.
  - Participate in the mandatory NAU International Week (April) events. This information will also be communicated to you via email during the semester.
  - This award is valid for the Flagstaff Mountain Campus only.
  - The award will be pro-rated per credit hour if you are approved for a reduced course load.
  - **Complete [International Lumberjack Orientation](#) before June 15, 2024.**
- **Renewability**
  - This award is renewable for up to three years following the first year of academic study.
  - You must maintain a cumulative GPA of 3.0 or higher to renew this award for \$10,000 per academic year.
  - Your NAU GPA will be reviewed at the end of each academic year and, provided you meet the terms of the award listed above, will be automatically renewed each academic year for up to three years following the first academic year of enrollment.
  - Students having received this award for the first academic year, who do not maintain an NAU GPA of at least a 3.0 will not qualify for renewal of this award.
- **Combining awards**
  - This award is disbursed in the form of a tuition waiver. It cannot be combined with other NAU tuition awards in excess of in-state tuition.
  - This award cannot be combined with PROBEP (Programa de Beneficios de Pago) In-state tuition benefit for Sonoran students.
