Dear Sukhman,

Congratulations! I am pleased to report that you have been accepted for admission to an undergraduate major in **Finance** for **Summer 2024**. I am also excited to announce that you have been awarded a **Global Select Scholarship** valued at **\$6,000 per academic year**! We are thrilled to welcome you to the Wichita State family of students known for their talent, innovative spirit, and dedication to their studies – just like you!

You will soon be attending one of the best national universities in America! At Wichita State, you will benefit from studying in the largest city in Kansas by working with renowned professors in state-of-the-art facilities and having access to a vast variety of companies that cover a wide range of disciplines for real-world, hands-on experience before you even graduate.

Each of our students brings unique qualities and skills to a campus with over 15,000 students – including 1,500 international students from over 105 countries around the world.

You will be considered a nonresident of Kansas for tuition purposes. If you will be studying on an F-1 or J-1 visa, please note that you are required by U.S. law to enroll in a full course of study, which is a minimum of 12 credit hours each semester.

If you take additional classes between now and the time of your enrollment at Wichita State, please make arrangements to send us an official transcript as soon as it is available.

Once again, congratulations! Whenever you have any questions, please feel free to contact us at [international@wichita.edu](mailto:international@wichita.edu). We look forward to having you as a Wichita State University Shocker!

Sincerely,

**Term of Admission:** Summer 2024

Congratulations, Sukhman! You've been selected for one of our Global Select scholarships!

With a Global Select scholarship, you will receive more than a **36% reduction** in the cost of your tuition. With a full-time course load, this scholarship can save you and your family more than:

**\$6,000 per Academic Year**

That means you can potentially save **over \$24,000** after four years of study at Wichita State!

## Important Things to Remember

- The scholarship automatically renews every year until you graduate.
- If you graduate from Wichita State with a 3.3 GPA or higher, you can continue the scholarship for your graduate program.
- If you need additional English training, the scholarship can also be used if you study in our Intensive English program.
- The scholarship cannot be used with other WSU general scholarships or tuition waivers (such as graduate assistantships).
- If you transfer from WSU to another institution, your Global Select Scholarship will be rescinded. If you later return to WSU, you will no longer be eligible for a Global Select Scholarship and you will have to pay standard nonresident rates for tuition.
- The scholarship cannot be used with other WSU general scholarships or tuition waivers such as graduate assistantships, legacy tuition waivers, online programs, or tuition waivers through Comité Paraguay Kansas (CPK).
