For each year of study, I agree to make available the total amount as listed in Part B for this student's educational expenses at Wichita State University. I understand that my failure to pay will result in the student not being allowed to attend classes, which will negatively affect the student's immigration status in the U.S. By signing below, I agree to and understand the above statements.

IMPORTANT NOTE: The above estimated amounts include tuition, fees, accommodations, meals, books, and medical insurance. The estimate is based upon full-time undergraduate enrollment of 12 credit hours per semester (9 credit hours for graduate students). Undergraduate students must take at least 15 credit hours per semester (9 credit hours for graduate students) in order to complete their program by the program end date listed on their I-20. These amounts are averages and may vary from student to student. Actual expenditures depend on: 1) the student's major and credit hours enrolled, 2) the residence hall or apartment in which the student lives, 3) whether or not the student has a roommate, and 4) the student's meal plan.
