PanditApp — (Online puja)

We take pride in preserving and promoting our rich cultural heritage by re-introducing ancient Vedic culture that was fading into insignificance due to cultural assimilation and lack of awareness. Through this initiative, we aim to enlighten the present and future generations about the significance of Vedic rituals rooted in ancient Sanskrit texts known as the Vedas. To fulfill this ambition, we are collaborating with experienced Vedic Acharya & Purohits who have years of experience and valuable knowledge.

Friggly— (phone call app)

The Friggly phone calling app is a communication application that allows users to make voice calls. It offers a range of features to enhance the calling experience,

User Registration: Allow users to create an account using their phone number.

User Authentication: Implement a secure authentication system to

protect user accounts.

Contact Management: Provide a way for users to manage their contacts and easily initiate calls

Note:- Like a truecaller

Tapittek— (Socil media app)

User Registration and Profiles: Allow users to create accounts, set up profiles, and manage their personal information.

News Feed: Design a personalized feed where users can see posts, photos, videos, and updates from their friends, pages they follow, and groups they belong to.

Posting and Sharing: Enable users to create posts, share photos and videos, and express themselves through status updates or stories. Provide options for privacy settings, allowing users to control who sees their content.

Friends and Connections: Implement a system for users to send and accept friend requests, view their friends' profiles, and manage their connections. You can also incorporate features like mutual friends, suggested friends, or friend lists.

Note:- Like a facebook

Namaste Thailand— (spa)

At Namaste Thailand, we believe in the power of relaxation and rejuvenation. We have created a haven where you can escape the stresses of everyday life and immerse yourself in a world of tranquility and self-care. Our goal is to provide a holistic approach to well-being, offering a range of luxurious spa treatments and services tailored to meet your individual needs.

With a team of highly skilled therapists and professionals, we are dedicated to delivering an exceptional spa experience that promotes both physical and mental wellness. Whether you're seeking a soothing massage, a refreshing facial, or a complete spa package, our skilled practitioners will guide you on a journey of pure relaxation and renewal.
