## TO WHOM IT MAY CONCERN

It gives me great pleasure to put forth a recommendation for Sukhmeet Singh S/o Ranjit Singh, Class "12<sup>th</sup> Science", Roll No.2021037277, and (Registration No.BS/18/20023366022) as a hard working and sincere student of our School. I have been closely acquainted with him for the past years. I can state unequivocally that his academic skills have placed him among the top students of his class.

He has distinguished himself as a student with high motivation and intellectual prowess enthusiasm in problem solving and an exceptional analytical ability. Besides his regular course work He actively participated in a number of technical seminars in his field of study.

I strongly recommend admission for him in your esteemed institute and for a financial assistance you can offer. I am confident that He will not only continue to be a promising and competitive student but would also be capable of efficiently discharging his duties as an assistant. I wish him all the success for his future endeavors.
