Dear Armaan,

Congratulations! It is with great pleasure that I offer you admission to Business: Management at Purdue University Northwest for Summer 2024!

Your academic and personal accomplishments you have already achieved within your school and community reflect what we respect, value and expect in our students. Ambition, compassion and curious intellect are the heart of the PNW experience. We feel you have the drive, imagination and talent to flourish at Purdue Northwest. We are thrilled to welcome you to the PNW community and look forward to the unique and extraordinary contributions we know you will make to the academic and extracurricular life on our campus.

The exciting next step is now yours. As an admitted student, visit discover.pnw.edu/status for information on key dates and deadlines as well as how to accept your offer of admission and activate your career account. To activate your career account, you will need your PUID, which is listed below and in your admissions portal. This account will allow you to get your pnw.edu email account as well as access to your student portal (myPNW) where you will find valuable information and be able to access university resources.

Look out for more information by mail and email, which will facilitate your transition to Purdue University Northwest. On behalf of PNW's faculty and staff, I welcome you to the PNW Pride Community—we are here to support you every step of the way in your personal and professional endeavors.

Once again, congratulations. If you have any questions about your transition to Purdue University Northwest, please do not hesitate to contact the Office of Admissions.

Sincerely,

Ryan M. Hayes
Assistant Director of International Admissions and Immigration Services
