February 26, 2024

Dear Gurmanjot Singh (ID # 012232559),

**Congratulations! We are pleased to inform you that your deferral has been processed and we are excited to welcome you to California State University, Chico in Computer Science (BS) for the fall semester, 2024.**

It is with great pleasure that we extend this Offer of Admission. We have **four** important steps for you to complete before you begin your exciting journey at California State University, Chico (Chico State):

- 1. Activate your Student Portal and Wildcat Email account:** After you activate the account, check your Wildcat email regularly to access important messages regarding fee payment deadlines, class registration, transportation, and arrival for the mandatory *New Student Orientation* on August 20-22, 2024. If you need assistance with activating the account, please email [iss@csuchico.edu](mailto:iss@csuchico.edu).
- 2. Submit your Intent to Enroll and Pay the Enrollment Deposit:** Tell us that you are coming! Submit the online form **by June 10, 2024**, and follow the instructions for paying the one-time, non-refundable enrollment deposit (<https://forms.office.com/r/tsXWWYeFGR>). We will begin enrolling students in fall classes in late June 2024.
- 3. Submit Financial Documents for your I-20 Form:** International Student & Scholar Services (ISSS) will soon contact you with instructions on how to receive your I-20.
- 4. Clear all pending Admission Conditions:** Submit all final admission documents and meet all admission criteria as found on the following Admission Summary page. Enrollment in classes depends on the completion of all items.

International students are eligible for scholarships, and we encourage you to apply. The application period for the majority of 2024-25 academic year scholarships is January 2 - February 15, 2024. Chico State also offers fee waivers for qualified undergraduate international students. Information about these opportunities is available from ISSS <https://www.csuchico.edu/iss/ documents-procedures/scholarships-grants.shtml>.

You made an excellent decision in choosing to join our vibrant Wildcat community. On behalf of the faculty, staff, and students at Chico State, we welcome you!

Sincerely,

*Jennifer Gruber*
