Dear Harshvir,

Congratulations on your acceptance to the University of Massachusetts Boston for the Spring 2024 semester. On behalf of the faculty, staff and students, I am pleased to notify you of your admission to the Exercise and Health Science major within the Robert and Donna Manning College of Nursing and Health Sciences. Here at the University of Massachusetts Boston we are committed to high-quality teaching, research, innovation and collaborative engagement.

There has never been a more consequential moment, given all that we have experience over the past years, to join UMass Boston's community of scholars, athletes, researchers, and activists. Your personal determination and academic qualifications demonstrate your ability to be both an impactful and successful member of the University. And, like our mascot, the beacon, you too stand to light the path forward.

Your UMass Boston International Direct Enrollment Services Advisor will be in touch with you regarding next steps and visa preparation. Please also prepare your official transcripts for presentation upon arrival as you will not be permitted to enroll in classes until the Office of Undergraduate Admissions receives your official academic records and full proof of graduation. If you are currently taking classes you must maintain a consistent level of work to satisfy university admission standards.

As you continue forward with the next phase in your educational career, we are here to help you and to answer any questions you may have about UMass Boston. Please contact the UMass Boston Global Admissions Office at ambassador@umbinternationaldirect.org.

Congratulations, once again! We sincerely look forward to having you become a part of the excitement and tradition at the University of Massachusetts Boston.

Sincerely,

A handwritten signature in blue ink that reads "Sydney Morgan".

Sydney Morgan
Director of Undergraduate Admissions
