Dear Raman,

Your application for admission to Northern Arizona University has been reviewed. According to the policies established by the Arizona Board of Regents your previous academic performance does not meet the standards for admission.

I regret we cannot offer you admission to Northern Arizona University as a full-time, degree seeking student at the present time.

Some students choose to begin their college career elsewhere, for example at a community college, establish a record of achievement and then transfer to NAU to earn their degree.

If I can be of any assistance in identifying college options for you, please do not hesitate to contact me. My best to you as you make plans to continue your education. Thank you, again, for your interest in Northern Arizona University.

Sincerely,
