Dear Lnu,

Congratulations and welcome to the University of Central Missouri! We are excited to offer you admission to the Big Data & Business Analytics (Bachelor of Sci in Bus Adm) program as a Freshman student for the Summer 2024 semester.

Please continue to check your email for more information about the online international orientation process.

If you are a new student, you should receive an email within 24 hours of admission with your 700# and instructions on accessing MyCentral. If you do not receive an email, and it is not in your Spam folder, please contact [tsc@ucmo.edu](mailto:tsc@ucmo.edu). If you are a returning student, you will not receive that email as you have already been assigned a 700#. If you need assistance retrieving your 700#, please contact our office.

Please let us know if you have any questions about your next steps.

Sincerely,

**International Student Services**

University of Central Missouri

**Reminder:** You will not be able to enroll in classes until we receive all of your final official transcripts (evaluations) from all college/post-secondary institutions attended (including provisional certificates and/or diplomas for international students). \*Exchange students are excluded from this requirement\*.
