By receiving this scholarship, you are agreeing to maintain eligibility as outlined below.

Continuing Eligibility

1. All scholarship recipients are required to maintain a cumulative grade point average (CGPA) of 2.5. Any student who drops below the required CGPA will lose their eligibility for renewal.
2. Students are required to complete a minimum of 24 **SDSU** credit hours each academic year - fall and spring semesters (summer will not count) and be enrolled full-time (12 credits) to receive their scholarship each term. Credits obtained from other Board of Regents schools: BHSU, DSU, NSU SDSM&T, and USD will NOT count towards continued eligibility.
3. Scholarship amounts will vary based on student initial eligibility and major at the time of awarding. A change in major could impact the amount of the scholarship as the awards are reviewed annually.
4. Advanced Placement (AP), CLEP and transfer credits do not count toward the 24-credit hour minimum.
5. Students must remain continuously enrolled for either a total of four academic years or until completion of a bachelor's degree, whichever comes first. If a bachelor's degree is completed in less than four years, the award amount is not paid out for subsequent semesters. The award is not renewable beyond the fourth academic school year. If a student does not enroll or withdraws during any fall or spring semester, s/he will lose their eligibility for renewal.
