Dear Mehakdeep,

Congratulations! Thank you for applying through the International Direct application process. On behalf of Cleveland State University, I am pleased to inform you of your acceptance to Cleveland State University for the **Summer 2024** Term. Our records show that your intended program of study is: **Computer Science**.

CSU is the top choice for talented students who are motivated to succeed and ready to advance their lives through Engaged Learning. As a CSU student, you will join a community of achievers at a university that is uniquely positioned to provide you with opportunities to engage with talented faculty, be a part of a dynamic student body, and experience the benefits of an urban campus in a city on the move.

While we are pleased to admit you to the University, your desired program of study has more selective requirements for admission. Therefore, you have been admitted with a major of Pre-Engineering. During the early part of your CSU academic career, you will work closely with an academic advisor to complete the requirements necessary for admission to your desired major. Throughout your time here, you will have numerous opportunities to work with exceptional faculty as well as our university's dedicated advising and student support teams to ensure your continued success.

Along with this letter you will receive information on next steps: your visa document and instructions, health insurance requirements, and the academic calendar, among other important information. In addition, read about your options for housing and meal plans, instructions to arrange for airport pick-up, and details about the upcoming orientation program that you will attend. Please also prepare your official transcripts for presentation upon arrival.

Cleveland State Global offers a variety of support services for international students designed to help you prepare for your arrival and acclimate to your new life on campus at Cleveland State University. Student support services include visa interview preparation, assistance with your year-one course selection, advising, and pre-arrival support. You will have access to signature student experiences including airport pick-up, cultural events, and career and internship preparation. All students participate in student orientation, and our dedicated advisors are available to assist you with flexible course selection and registration.

As you continue to move forward with the next phase in your educational career, we are here to help you and to answer any questions you may have about Cleveland State University. Please contact us at admissions@clevelandstateglobal.org.

Congratulations again on your acceptance! We sincerely look forward to having you become a part of the excitement and tradition at Cleveland State University.

Cristina Sánchez Wayton

Cristina Sanchez Wayton
Director, Undergraduate Admissions and Student Transition

Cleveland State University reserves the right to rescind offers of admission or scholarship based on academic performance that results in a final cumulative GPA that does not meet the minimum required for admission or that is inconsistent with the information you have provided at the time of application.
