## Letter of Recommendation

It gives me great pleasure to put forth a recommendation for Harsh Thakur S/o Sh. Thakur Singh, Class Bachelor of Computer Applications, University Roll No.10722013408 (Registration No. 2020.SND/A. 852), Session July 2020 to May 2023 as a hard working and sincere student of our College. I have been closely acquainted with him for the past three years. I can state unequivocally that his academic skills have placed him among the top students of his class.

He has distinguished himself as a student with high motivation and intellectual prowess enthusiasm in problem solving and an exceptional analytical ability. Besides his regular course work he actively participated in a number of technical seminars in his field of study.

I strongly recommend admission for him in your esteemed institute and for an financial assistance you can offer. I am confident that he will not only continue to be a promising and competitive student but would also be capable of efficiently discharging his duties as a assistant. I wish him all the success for his future endeavors.
