## Letter of Recommendation

It is with great pride that as the Assistant Professor of the Computer Science Department, I recommend Gagandeep Kaur to your respected university.

Gagandeep Kaur has always been attentive in the classroom. Her basic understandings of my subjects are very good and she has ability to handle practical situation. She has a very practical approach toward her coursework and has sound technical abilities. She has a good communication skill which has been evident during the seminars given by her. She is a kind person who will not give up on something until and unless she is completely satisfied with it.

The further studies in your university will give her the perfect platform to develop her skills and achieve her goals. Therefore, I gladly recommend her to your institute and would be happy to furnish any other details requires to make an informed decision.
