Letter of Recommendation

In the capacity as the Incharge of the twelfth class. I have Known Mr. Manjeet Singh S/o Karnail Singh / Goga Rani to be one of an obedient students I have come across in my education career. I first met him in 2015 when he secured admission in our institution.

He exudes self-confidence and has consistently demonstrated strong work ethic and dedication towards his academics during one years in the school. Moreover, he always participates in class discussions, for he believes that ideas stem from discussions and brainstorming. Thus, he always plays the initiator of fruitful and intriguing discussions in the classroom, from which, his peers also tend to gain immensely.

In Conclusion, I would just like to say that considering Mr. Manjeet Singh Penchant for achieving excellence in whatever he undertakes , I believe that he is one of the ideal candidates for pursuing undergraduate course at your esteemed university. Thus, I extend my whole hearted recommendation for his candidature for admission into the undergraduate course at your University. Please feel free to contact me in case of any query. I wish him all the luck for his future endeavors.

Sincerely,
